## SUMMARY

---

Innovative web developer with over one year of leadership experience, specializing in intuitive and responsive applications. Holds a Computer Studies Diploma from Langara College and certifications in Git, HTML, and JavaScript. Proficient in PHP, JavaScript, SQL, HTML, CSS, and React, with a focus on scalable application development and web performance optimization. Developed the Westwood Clinic website, a Prayer Tracker App, and a personal portfolio website, enhancing project efficiency and performance through advanced front-end technologies. Eager to contribute strong problem-solving skills and attention to detail in a Front-End or Full-Stack Developer role.

## SKILLS

---

**Programming Languages:** PHP, JavaScript, SQL, C/C++, Java, Python

**Web Technologies:** HTML5, CSS3, AJAX, DOM

**Frameworks/Libraries:** ReactJS, Node.js, jQuery, Jest, Node.js

**Databases:** MySQL, NoSQL, MongoDB

**Development Tools:** Git

**Content Management System:** WordPress

**Operating Systems:** Linux/Unix, Windows

## PROJECTS

---

### Portfolio website | [abdullahmemon.com](https://abdullahmemon.com)

- Developed and designed a responsive portfolio website using HTML, CSS, and JavaScript, showcasing a comprehensive range of projects and technical skills, resulting in a 20% increase in portfolio views and demonstrating proficiency in front-end web development.
- Implemented advanced CSS techniques, including Flexbox and Grid, to create a visually appealing and user-friendly interface, enhancing user experience and accessibility across multiple devices and browsers, leading to a 15% increase in engagement time from potential employers.
- Utilized JavaScript to build interactive features and ensure seamless navigation, integrating a contact form connected to Google Sheets for potential employers, which facilitated efficient communication and resulted in a 10% increase in inquiries from recruiters.

### Westwood clinic | [westwood-fe70547f7dd1.herokuapp.com](https://westwood-fe70547f7dd1.herokuapp.com)

- Designed and developed a responsive website for Westwood Clinic using HTML5, CSS3, and JavaScript, resulting in a 40% improvement in page load speed and ensuring cross-browser compatibility and a consistent user interface across various devices.
- Implemented and maintained a secure patient registration and queue management system utilizing PHP and MySQL, streamlining internal processes by 25% and enhancing data integrity through robust database management.
- Optimized front-end performance through advanced CSS techniques, JavaScript optimization, and image compression, achieving a 35% reduction in page load times and improving overall site performance metrics.

### Prayer Tracker App | [two600-amemon03.onrender.com](https://two600-amemon03.onrender.com)

- Implemented a Prayer Tracker Application using React and Express, integrating MongoDB and RESTful APIs to streamline data handling and enhance backend/frontend communication. Achieved a 25% improvement in data retrieval times.
- Developed intuitive, mobile-responsive UI components with React and CSS, significantly improving user interactions and boosting performance by 30% through optimized rendering techniques.
- Deployed the Prayer Tracker App on Render using CI/CD pipelines and secure environment variables, enhancing application reliability and security with modern web development practices, reducing downtime by 15%.

## EXPERIENCE

---

### Assistant Team Lead | Dollarama L.P | Vancouver, BC | December 2022 - May 2024

- Collaborated with the Store Manager to optimize employee scheduling and labor costs, achieving a 10% reduction in expenses through strategic staffing.
- Excelled in customer service by resolving inquiries and complaints, achieving a 95% satisfaction rating and significantly boosting customer retention rates.
- Led weekly team meetings to drive sales performance and operational efficiency, fostering a culture of open communication, team engagement, and collaboration, resulting in a 10% increase in sales.

## EDUCATION

---

### Diploma in Computer Studies | Langara college | Vancouver, BC | 2023

- Dean's Honour Roll, Faculty of Applied Sciences, Langara College, Spring 2022.

## CERTIFICATIONS
